

Mercedes-Benz AMG logo seat plate installation.

Mercedes-Benz AMG logo seat plates will work with any Mercedes seats with removable seat-back lining.

- Move seats to forward position and backrest to upright position. Unscrew two screws on a bottom. Slide seat-back lining downwards out of guides and remove.
- Position backing plate on a center of the seat backrest with clear tape and mark two small holes for the plate tabs.
- Using a sharp awl carefully punch two holes and insert AMG Logo Plate through the backrest cushion.
- Install back plate and bend both tabs at 90 degrees.
- Slide seat-back lining into the top of backrest and install two screws.
- You are done with installation.

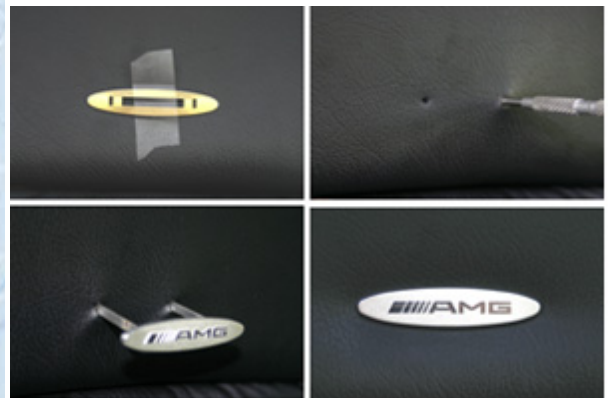

All picture show installation of the AMG logo plate on 1993 Mercedes-Benz 190E
